Championing community resilience in Bacoor through Project RISE

PTC's Project RISE team visited the Office of Mayor Strike B. Revilla to discuss the target implementation of Project RISE in the City of Bacoor through the Office of the Sangguniang Kabataan (SK) Federation.

An introductory meeting attended by the city government representatives elicited positive feedback and support for the conduct of Project RISE components, concentrated on capacitating the SK Officials and Kabataang Bacooreños in disaster preparedness and resiliency.

Mayor Strike expressed his support and appreciation to the PTC Project RISE Team and its partners for selecting the City of Bacoor as one of its target model seafarer communities.
