PTC GROUP RESPONSE PROTOCOL TO THE 2019 NCOV 07 FEB 2020 – ADVISORY #7

MEMORANDUM PPSO 2020 - 001

Date: February 5, 2020
To: PTC Group Business Unit Heads and Executives
Cc: The CEO
From: Public Policy and Sustainability Office
Subject: PTC Group Response Protocol to the 2019 nCoV

Aligning with the ALGORITHM FOR TRIAGE OF PATIENTS WITH SUSPECTED 2019-NCOV INFECTION (Version 3, 31 January 2020) released by the Philippine Society for Microbiology and Infectious Diseases, all business units are hereby informed of the PTC Group standard response as preventive measure to minimize if not eliminate the potential consequences and effects of the 2019-nCoV on our personnel and other stakeholders.

The purpose of the response is as follows:

1. Provide guidance for an official and standard process on how each of our business units should respond to the situation;
2. Provide a uniform understanding and alignment of response protocols across all business units; and,
3. Ensure proactive monitoring of other advisory sources, and each business unit's responsibility, alignment and compliance to the standard response.

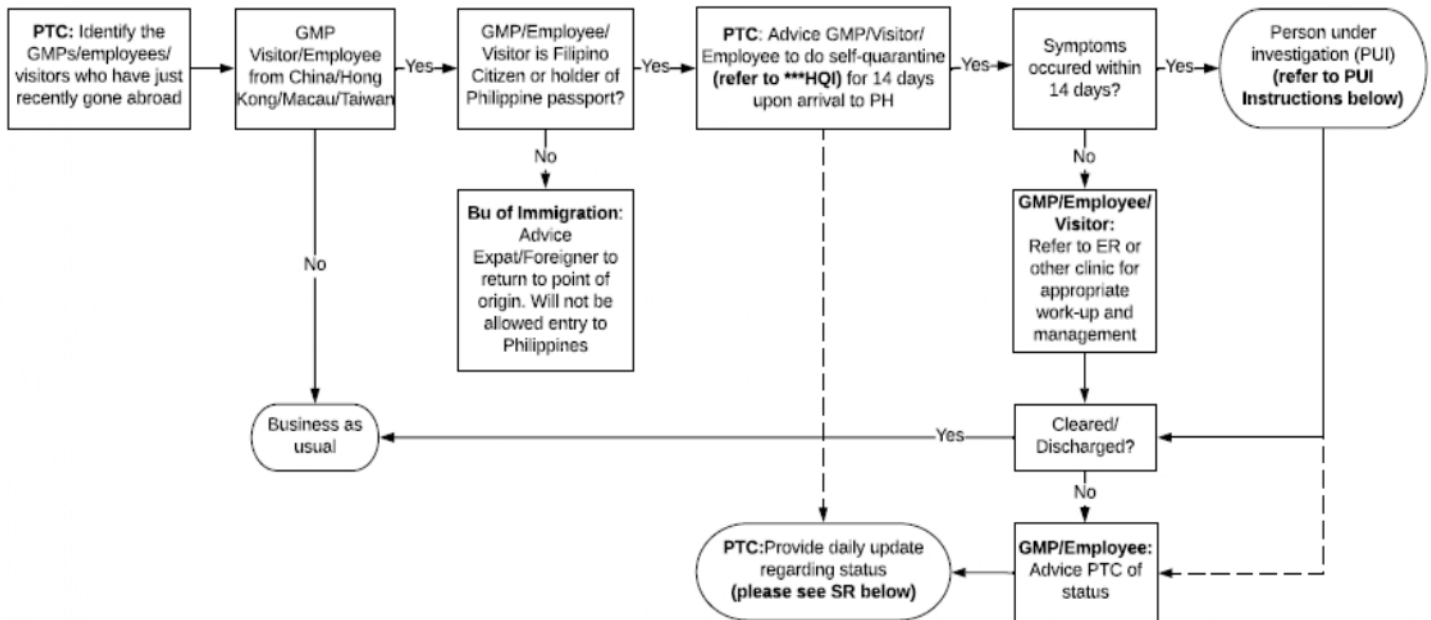

If you have any questions or concerns regarding this, please feel free to contact our office at +63 2 7798 1111 Ext: 2108
